DNA of WFSA

Wholesale Fencing SA strives to put our Customers at the centre of all our business activities. Entrenched in our DNA is the belief in building long and lasting relationships with our customers by providing the best quality, service and advice.

At WFSA we offer solutions which will ensure that the security threat at the identified areas of interest is mitigated, using an appropriate Physical Perimeter Barrier, integrated into Early Warning Perimeter Intruder Detection.

WFSA is based in Centurion and Bloemfontein with representation in Africa.

We specialise in the manufacturing, supply, design, and installation of turnkey perimeter security fencing solutions for all sectors of the market.

WFSA is your one stop shop for all your security fencing requirements. We offer a range of affordable and high-quality fencing products including early warning detection systems.
